

PLAYCYBER GLOBAL LEAGUE

Developing & Diversifying the Cyber Workforce One Game at a Time

PlayCyber Global League (PCGL) helps you connect, share, and learn alongside your peers. Whether you are a security specialist, hacker, or gaming enthusiast, you will hone your skills and gain valuable industry expertise. Open to individuals and corporations, our exciting league offers:

- **Innovative** competition-based egames
- **Challenges** for all ability levels and platforms
- **Education and training opportunities** in a learning-centered community
